

PRAVIN KUMAR

Aspiring Java Developer

+91 - 7294020756 | pravinku7294@gmail.com

SUMMARY

I am a Computer Science graduate who completed my Bachelor of Computer Science Engineering in 2025. I have gained practical experience through various web development projects and demonstrate strong proficiency in **HTML**, **CSS**, **JavaScript**, and **React**. This is accompanied by a solid foundation in React for developing interactive interfaces. I am also skilled in **C** and **JAVA**, with a keen understanding of database management using **SQL** and **PLSQL**. My technical skills extend to Spring modules, tools like **Git & GitHub**, and IDEs such as **Eclipse** and **VS Code**.

TECHNICAL SKILLS

- **C** - Array, Strings
- **JAVA** - OOPs, Exception handling, JVM architecture, Multithreading, File handling, Collection framework.
- **Web Technologies** - HTML, CSS, XML, JAVASCRIPT
- **Database** - SQL, PLSQL
- **Tools** - Git & GitHub, Meven, Mockito, SonarQube
- **Spring modules** - JDBC, MVC, JPA, ORM, JMS
- **IDEs** - Eclipse, VS Code
- **Cloud** - Azure, AWS
